

Planning now for 2015?

Budget less for your **IT needs** with Echo.

Find out how!

816-749-2805
echocloudsolutions.com

How can Echo Cloud Solutions save your business money? Not only will you have the security knowing your company's data is safe from disaster or equipment failure, Echo can help you save month-to-month on your IT needs:

- No hardware to purchase or support
- No depreciation, upgrade or replacement costs
- Pay only for what you need and easily adjust your services at any time
- Save on other IT budget items, like facility or overtime costs

Plans as low as \$30 /month!
