

How does doing business  
in the cloud work?

Is my data safe  
in the cloud?

What would I do if  
I lost my current data?

**Book Echo for your next meeting now!**

Doing Business In The Cloud

A program for service clubs and organizations

# Doing Business In The Cloud

## A program for service clubs and organizations

Are you looking for a hot topic for your club or organization's upcoming meetings? Echo Cloud Solutions is available to come give a short presentation to your upcoming service group's meeting, about the basics of how cloud computing and the safety of your data. We'll answer questions like:

- How does doing business in the cloud work?
- What advantages does the cloud hold?
- Is my data really safe in the cloud?
- What would I do if I lost my current data?

Contact **Joe Vigliaturo** to book a date to discuss this timely subject at your next available group meeting! **(816) 749-2805** or **[joe.vigliaturo@echocloudsolutions.com](mailto:joe.vigliaturo@echocloudsolutions.com)**
